GENERAC -

Watch Dog Automatic Stand by Generator
Complete w/Automatic Transfer Switch
15KW—Natural Gas or Propane

Watch Dog's are a compact, high performance, air cooled engine-driven Generator designed to automatically supply electrical power to operate critical loads during a utility power failure.

"Watch Dog Generators are listed to applicable U.S. Safety Standards by underwritten laboratories, Inc. UL listings is your assurance of local building inspection approval safety and certified KW power ratings."
